Llewellyn Publications,U.S. Paperback. Book Condition: new. BRAND NEW, On Haunted Ground: the Green Ghost and Other Spirits of Cemetery Road, Lisa Rogers, Lisa Rogers sensed that the house she bought with her husband Wes came with a ghost. But nothing prepared them for doors slamming on their own, objects flying, and the nightly appearance of a freaky green orb in their bedroom. Their two children had opposing views on the paranormal activity. While Keshia grew attached to the grandmotherly ghost who taught her not to be afraid of thunderstorms and the Native American spirit that tucked her into bed, her brother Troy wasn't quick to believe in their unearthly guests. This amazing true story details two decades of terrifying, funny, and heartwarming paranormal encounters-the mischievous entity that imitated the voice of each family member, the spool that "came to life" to chase the kids, the shocking events that shake Wes and Troy's skepticism-and the enduring love that keeps the family together through it all.
