EAT, BRAINS, LOVE (PAPERBACK)

Harper Teen, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. A laugh-out-loud funny, surprisingly romantic, zombie road trip novel filled with heart--and brains. Eat, Brains, Love is perfect for fans of Isaac Marion's Warm Bodies. The good news: Jake's dream girl, Amanda Blake, finally knows his name. The bad news: it's because they both contracted a mysterious zombie virus and devoured the brains of half their senior class. Now Jake and Amanda are on the run from Cass, a teen psychic sent by the government's top-secret Necrotic Control Division to track them down. As Jake and Amanda deal with the existential guilt of eating their best friends and set off in search of a cure for the zombie virus, Cass struggles with a growing psychic dilemma of her own--one that will lead all three of them on an epic journey across the country and make them question what it means to truly be alive. Or undead.
