By Michael Freze

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From a bestselling Catholic author! A handbook of brief profiles of famous victim souls known as stigmatists from the past few centuries: stigmatics who bore the wounds of Christ internally (invisible stigmata) or externally (visible stigmata). Dozens of profile examples of those modern victim souls who are recognized throughout the world for their lives of sanctity and heroic virtue. Examples include lay people, sisters, brothers, priests, and saints. A recent endorsement: I have to say that of the many books I have read (having multiple degrees in theology -including my Doctorate from Columbia University) your *They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata*. is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write . Peace, Deacon Mike Vicinanza.
