PORTFOLIO, United States, 2015. Hardback. Book Condition: New. 218 x 156 mm. Language: English . Brand New Book. In September 2014, Chinese e-commerce giant Alibaba raised \$25 billion in the world s biggest-ever initial public offering. Since then, millions of investors and managers worldwide have pondered a fundamental question: What s really going on with the new wave of China s disruptors? Alibaba wasn t an outlier it s one of a rising tide of thriving Chinese companies, mostly but not exclusively in the technology sector. Overnight, its founder, Jack Ma, appeared on the same magazine covers as American entrepreneurial icons like Mark Zuckerberg. Ma was quickly followed by the founders of other previously little-known companies, such as Baidu, Tencent, and Xiaomi. Over the past two decades, an unprecedented burst of entrepreneurialism has transformed China s economy from a closed, impoverished, state-run system into a major power in global business. As products in China become more and more sophisticated, and as its companies embrace domestically developed technology, we will increasingly see Chinese goods setting global standards. Meanwhile, companies in the rest of the world wonder how they can access the fast-rising incomes of China s 1.3 billion consumers. Now Edward Tse, a leading global strategy consultant, reveals how China got to this point, and what the country s rise means for the United States and the rest of the world. Tse has spent more than twenty years working with senior Chinese executives, learning firsthand how China s most powerful companies operate. He s an expert on how private firms are thriving in what is still, officially, a communist country. His book draws on exclusive interviews and case studies to explore questions such as *What drives China s entrepreneurs? Personal fame and fortune or a quest for national pride and communal...
