

Europes Last Dictatorship - U.S. Democratization Efforts in Belarus

By -

Grin Verlag. Paperback. Condition: New. 28 pages. Dimensions: 8.7in. x 5.8in. x 0.4in. Seminar paper from the year 2006 in the subject Politics - Miscellaneous, grade: 2, 0, Durham University, language: English, abstract: . . . Since its official establishment in 1991, Belarus has struggled with the implementation of democratic policies. The republic is a nominal democracy and was pursuing liberal reforms after gaining independence, however, since his election in 1994, its current president Alyksandar Lukashenka, was repeatedly able to expand his almost autocratic powers. The fact that most other countries in Eastern Europe have democratized more or less like textbook examples makes Belarus autocracy a true exception. In this paper, the question will be answered why democratization has so far failed in post-communist Belarus. To answer this question thoroughly, it is indispensable to portrait the pre-transitional history and political climate in communist Belarus (section 2.), as well as the actual transition process starting in 1989 (section 3.). The research then turns to the question of how and to what extent external actors, especially the U. S. and Europe, engaged in democratization efforts (section 4.). Eventually, the analysis of external and internal factors will answer the central...
