BEASTS SUPER-BEASTS

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This vintage book contains Hector Hugh Munro s 1914 collection of short stories, Beasts and Super-Beasts. One of Munro s most famous works, it was his last collection of stories before his death during the First World War. A fantastic anthology of masterful short stories, this volume is highly recommended for fans of the genre, and is not to be missed by collectors of Munro s wonderful work. The stories of this collection include: The She Wolf, Laura, The Boar-Pig, The Brogue, The Hen, The Open Window, The Treasure Ship, The Cobweb, The Lull, The Unkindest Blow, The Romancers, The Seventh Pullet, and many more. Hector Hugh Munro (1870 - 1916), widely known by his pseudonym, Saki, was a British writer who wrote humorous, witty, and often macabre stories that satirize Edwardian society. Many antiquarian texts such as this are increasingly hard to come by and expensive, and it is with this in mind that we are republishing this book now in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.
