TIME S UP: HOW TO ESCAPE ABUSIVE AND STALKING RELATIONSHIPS GUIDE (PAPERBACK)**DOWNLOAD**

Dog Ear Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Today there are more than five million women and their children are living in a violent relationship, and this number is increasing as new technology from tracking devices on cell phones to computer technology allow an abuser to track its victims every move. Domestic violence and stalking related crimes are being dismissed in a flurry of shuffled divorce documents and court orders of protection. You cannot plead with an abuser and walk away from potentially life threatening situations if you are unable to learn the steps necessary to protect yourself. In this straight forward, clearly written guidebook, veteran violence safety expert Susan Murphy Milano provides victims the tools and support they require to face this debilitating problem and take the necessary steps to regain control of their lives. Victims and those going through divorce now are able to provide information, in their own words, about the fears, dangers, experiences they have had at the hands of their abuser. Like our own individual fingerprints, no two crimes against a victim are the same. An abuser is clever like a fox and this book will teach you the techniques to be ten steps ahead before a threat against your life can be carried out against you or your children. With the Evidentiary Abuse affidavit provided in this book a victim will be able to provide legal documentation and answers, allegations and fears that arise when a person has disappeared when they announce the relationship is ending, gone missing or have been found dead. You will be able to properly document and describe: -Threats made against your life or well being, -Incidents of past abuse that a victim had endured -Admissions of how a threat will be carried out against a victim once they announce...
