Overlook Connection Press, United States, 2007. Paperback. Book Condition: New. Rick Sardinha (illustrator). 226 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Heroes don t always look the part. He was a tery, a lean, bearish creature with no name. The human soldiers left dead. Just another dumb animal on their extermination list. But he didn t die. Animals weren t the only beings on the list. Certain humans were marked for extinction as well. A fugitive band found him and brought him back from the brink. He became their pet, their mascot. And still he had no name. He was simply the tery. He soon learned that these were no ordinary humans, and learned too that he was no ordinary tery. The humans had no idea that the creature they fed table scraps and patted on the head would soon turn their world upside down and change it forever. By then he had a name. THE TERY. A beauty-and-the-beast fable that only F. Paul Wilson could tell, full of wonder and horror, brimming with strange landscapes and hideous mutations from science run amok. An unforgettable tale of the extremes of the human spirit of bravery and depravity, of innocence and evil. New Foreword by F. Paul Wilson.
