*The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Ann Jordan-Mills, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. 14 1/2 Hours in a Thatched Cottage is the title my mother gave to this little story when she wrote it. A few years ago, I came across an old exercise book in which she had written about a holiday that was to fulfil one of her lifelong dreams - a holiday in a thatched cottage. Mum s holiday didn t turn out quite as she had envisioned; it was a holiday of errors. So you could say this is a cautionary tale -- make sure you know where you are going to stay when you rent a so-called romantic location. I have transcribed my mother s own words, and I am publishing this little book in her memory and honour. I wish she were here to see it.
