## THE HUMANITY PROJECT (PAPERBACK)

Plume Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. From the New York Times bestselling author of *The Year We Left Home*, a dazzling new novel hailed as an instantly addictive tale of yearning, paradox, and hope. Booklist After surviving a horrific shooting at her high school, fifteen-year-old Linnea is packed off to live with her estranged father, Art, in California. Art, not much more than a child himself, doesn't quite understand how or why he has suddenly become responsible for raising a sullen and probably deeply damaged adolescent girl. And although Linnea has little interest in her father, she becomes fascinated by the eccentric cast of characters surrounding him: Conner, a local handyman whose own home life is a war zone, and Christie, her neighbor, who has just been given the reins to a bizarrely named charity fund, the Humanity Project. As the Fund gains traction and Linnea begins to heal, the Humanity Project begs the question: Can you indeed pay someone to be good? At what price? Thompson proves herself at the height of her powers in *The Humanity Project*, crafting emotionally suspenseful and thoroughly entertaining characters, in which we inevitably see ourselves. Set against the backdrop of current events and cultural calamity, it is at once a multifaceted ensemble drama and a deftly observant story of our twenty-first-century society.
