What if everything that you have been taught about the End Times was put to the test? What if you found out that teachings on some CRUCIAL topics were simply NOT TRUE Would it change how you live your life TODAY? Consider Revelation 13, 1st Thessalonians 4 and 2nd Thessalonians 2. These Scriptures become clear when we examine them in their correct context and in light of the all whole counsel of scripture. However much of what is being taught in Christendom today regarding end times prophecy is not accurate and leads us to believe things which are just not true. If we don t understand what God is saying in these chapters, then we will expect the wrong conditions and events to take place. Therefore, we will act accordingly.and we will be ill-prepared. After all of my research on what the Mark of the Beast actually is, I told my children exactly what I had found, in an effort to properly prepare them for the future. I then taught my congregation the same things. I want YOU to have a chance to evaluate Scripture--in its historical context--and to come to your own conclusions. I wrote this vital book to give you a chance to examine the facts regarding these prophecies and how they have been and will be fulfilled. If you are ready to take a discerning look at what the future holds--for both yourself and your children--then open up to page 1 and let s discover and prepare for the return of our Messiah, the King of Kings!.
