## THE ASD ZOO OF KALAMAZOO

[DOWNLOAD](#)

AAPC - Autism Asperger Publishing Co., 2014. Softcover. Book Condition: New. The ASD Zoo of Kalamazoo is an illustrated, rhyming children's book that connects the characteristics of various zoo animals to the major social skills characteristics of children with autism spectrum disorder. The book demonstrates how some animals exhibit specific characteristics, eccentric behaviors and special needs. The book capitalizes on their strengths. The goal of this book is for children to recognize their characteristics and learn how to capitalize on them or adapt for greater success in the social realm. There is a special zoo in Kalamazoo and some of the animals have ASD, but they learn to live in harmony with the other social and neuro-typical animals. In the Kalamazoo Zoo there are a lot of animals that have ASD. How do these zoo animals handle their diagnosis, challenges and successes? They learn to live in harmony with the other social and neuro-typical animals. What a fun way to teach autistic spectrum disorders/Asperger through the eyes of animals, all different in their sizes, origins, color and demeanors. Told through rhyme, this children's picture book demonstrates how those with ASD and the neurotypical animals exhibit their specific characteristics, eccentric behaviors and special needs. This is a resource that can be used with children and their peers to talk openly about diagnosis, challenges and differences, read by them or with an adult. Professionals can also use the resource in schools or clinics. "Charming, relatable, and beautifully illustrated, The ASD Zoo of Kalamazoo is an excellent tool for teachers, clinicians, and parents to explore the diagnosis of an autism spectrum disorder with their children. While each stanza of the book eloquently tackles one common aspect of ASD, for me, its biggest strength is the list of characteristics of each animal in the...
