Now, in this completely revised edition of their groundbreaking work, management experts Ron Ashkenas, Dave Ulrich, Todd Jick, and Steve Kerr offer an up-to-date version of their comprehensive guide to help any organization go "boundaryless" - and become a company with the ability to quickly, proactively, and creatively adjust to changes in the environment. With new examples, a new commentary on the developments of the last five years, and illuminating first-hand accounts from pioneering senior executives, the authors once again show why "boundaryless" is a prerequisite for any organization trying to succeed in the economy of the twenty-first century.
