AN ABECEDARIAN OF SACRED TREES (PAPERBACK)

Wipf Stock Publishers, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every person has seen a tree and maybe planted or climbed one! In all world religions, various trees are considered sacred. Trees have the ability to help us reach wholeness if we learn their wisdom and integrate it into our lives. This abecedarian--a book whose contents are in alphabetical order--explores the spiritual growth that is possible by reflecting on the wisdom of woody plants, which help humans experience the divine. In these pages you can explore trees from Acacia to Zaqqum. For each of the forty entries, the author presents a text identifying the tree, a reflective study, a question for journaling or personal meditation, and a concluding prayer. Some trees you may have heard about, and some may be new to you. The spiritual life is enhanced by the trees that surround and share the earth with us while also disclosing the divine to us. Boyer has written an informative and inspirational book that explores the religious significance of a variety of trees in Christianity and other religions of the world. Well organized and well researched, this book goes far in illustrating why and how trees have played such an important part in the religious lives of people across the world. --Stephen C. Berkwitz, Professor of Religious Studies, Missouri State University With his characteristic combination of detailed scholarship and clarity of thought, Boyer s latest volume guides the reader through a personal discovery of their own spiritual connection with trees and sacred nature as only a seasoned educator can. Trees beautify our backyards and public spaces. They clean our soil and our air to form an ecological link between the Earth and sky. Boyer shows us how they can also spiritually link...
