Downtown Press, Australia, 2005. Paperback. Book Condition: New. 208 x 129 mm. Language: English . Brand New Book. Dream boyfriend not included. When she moved to New York, Ryan Hadley imagined living the big-city-sitcom kind of life with all the trimmings -- great apartment, dream job, and a swept-off-your-feet, how-awesome-is-this-guy love. Of course, her real life is only so-so: not outstanding, nor bad enough to require medication. Ryan spends her days at a dreary data-entry job with wannabe-rocker Will, nights at her favorite dive bar with pals Audrey and Veronica, and her spare time daydreaming about the ideal -- but sadly, fictional -- man: if only Mark Darcy wasn't claimed by Bridget Jones. Some assembly required. But two promotions and a record deal later, Ryan's three closest friends are suddenly moving on up -- while Ryan seems to be treading water. Then Charlie, her college ex and super hottie, appears out of the blue with a success story of his own and more than a little baggage in tow. In a New York minute, Ryan realizes that one doesn't live off a maxed-out credit card and a year's supply of squashed Ho Ho's without learning a few important life lessons. She's ready to squeeze a five-year-plan for success into just a few crazy months. After all, why be a big-city girl if you're not going to dream big -- and reach for the stars?.
