Dakpabli Associates, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Face-Off With the International MP is a compilation of short stories, drama, different purposed letters, and jest, all garnished with an unusual but perfect mix of satire, wit and logic. The book walks readers through the experiences of the only Member of Parliament representing a virtual constituency. The book brings to life issues in politics, romance, educational and career experiences both home and abroad, and short memos - files that the International MP deals with 24/7. The right dose of laughter, the fluidity of Nkrumah-Boateng s unmatched imagery, the apt description of everything Ghanaian plus the solitary enjoyment of his entitlement as the only untenured MP combine to make this book a must-read. I introduce to you a reverently irreverent writer who pulls no punches, wears no kids gloves, bars no holds and suffers no fools gladly. There is not a topic that Rodney is shy to address, and frontally and bluntly too. Anan Anan Ankomah, Managing Partner, Bentsi-Enchill, Letsa Ankomah Rodney glides you along on a momentum of choleric rhetoric and suddenly explodes your mind into an amusement park of satire, laced with intelligent and exciting lines of literary mischief. Jason Tutu, Research Development Expert Nkrumah-Boateng uniquely mixes truth and poetic satire: his wit, crisp humour, eloquence and fluid writing style, and the heretical elegance with which he makes his points, made you want to kick something. Little wonder a major radio station mistook his satirical narrative as fact, and serialized it on radio! Kofi Bentil, Lawyer/Vice President, IMANI Rodney s writing always leaves me wanting more. Dr. Victor Bampoe, Former Deputy Minister for Health.
