

Samurai Executioner Volume 4: Portrait Of Death (Paperback)

Filesize: 1.28 MB

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Camille Larson)

Dark Horse Comics,U.S., United States, 2005. Paperback. Condition: New. Graphic novel. Language: English . Brand New Book. A frenetic mix of samurai honor, base violence, and the blood of beheading, Samurai Executioner, is not for the faint of heart. For those who love blood and guts crime drama, historical fiction, and brutal action, this is right up your alley. The men who brought you Lone Wolf Cub also created Kubikiri Asa, a young ronin samurai who helps keep the peace by putting the fear of beheading into Edo s criminals. But it doesn t always work, and so he has to. Full of squirting blood, fast-paced samurai swordwork, and the drama that comes from human corruption, Samurai Executioner is like no other classic manga. - Never before published in America, Samurai Executioner was the companion to one of the most seminal works of manga, Lone Wolf Cub! FOR MATURE READERS.
