Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Build Your Very Own Time Management System! Take Control of Life - Now! How long have you waited before you decided to pick up a book on time management? How many times have you tried to take control of your life only to fail miserably? How many tips and hacks have you tried only to forget them the next day? I am here to change that for you! To give you a lasting solution! I know there are only fifty thousand other time management books out there and I know you are confused on which one to pick. Allow me to elaborate why the Time Management System is the book you want. You may pick any of those thousand books out there and learn a lot of tips and tricks to increase your productivity or give you 25 hours a day. But Stop! No! That is no way to learn this valuable skill! Just the words tips and tricks show how temporarily natured they are. Do not follow them! (unless you want to ride yourself to disaster) Tips and tricks never made a person great at the art of time management. It is the solid systems that he has that boosts his productivity over the roof. Like Scott Adams said Goals are for losers; systems drive you to success. Tips and tricks don't stick; they are meant for the short term. I am sure you want to learn the long term art of time management and not manage time for a day only to forget about it in a week. So, pick up the book now and allow me to transform your routine into a reckless machine - chomping through...
