Hrsg.: Turtle Travel Edition | Please note that the content of this book primarily consists of articles available from Wikivoyage or other free sources online. Tanzania is the largest country in East Africa. This is probably one of the oldest known continuously inhabited areas on Earth; fossil remains of humans and pre-human hominids have been found dating back over two million years. More recently, Tanzania is believed to have been populated by hunter-gatherer communities. Tanzania is home to several national parks and game reserves. Safaris in Tanzania can be put into two categories, the Northern Circuit (Serengeti, Ngorongoro, Manyara and Tarangire) and the Southern Circuit (Selous, Mikumi and Ruaha). This book offers information on Tanzania and its most notable places. | Format: Paperback | Language/Sprache: english | 148 pp.
