CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 260 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Do Not Get Rid of Your Ego. Instead, Discover It. Embrace Its Humanity. Luis understanding is contrary to the popular belief that is promoted by such philosophers as Eckhart Tolle who recommends getting rid of or attaining an Ego-less state. Instead, Luis teaches that life is about aligning with the Ego and to embrace its humanity. Explore this new revolutionary concept and learn the richness that your Ego adds to your life. Embracing the humanity of the Ego is the humanizing of yourself. This allows the creative power of your soul to be embodied so that you can express your full creative potential. This can lead to having the success you have been looking for in your life. In addition, did you know that there are five types of brilliance inside of you? There is the scientist, creator, commander, visionary, and the warrior. Each one has different sets of creative powers, different passion, different ways of thinking and expressing themselves. They each use different ways to love, and use different strengths to take care of themselves and to succeed in life. We are all born great at something. Unfortunately, instead of living our life maximizing our full potential, we spend our life feeling bad about our weaknesses. You know what all famous and successful people all have in common? They discovered what they were great at - their creative brilliance - and they maximized their talents to become what we all know them to be, rich and successful. Embracing Your Egos Humanity gives you not only a revolutionary understanding of the role your ego plays in your life, but also a framework so that you can figure out your brilliance,...
