## Urban Revitalization: Remaking cities in a changing world (Hardback)

By Carl Grodach, Renia Ehrenfeucht

Taylor Francis Ltd, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. Following decades of neglect and decline, many US cities have undergone a dramatic renaissance. From New York to Nashville and Pittsburgh to Portland governments have implemented innovative redevelopment strategies to adapt to a globally integrated, post-industrial economy and cope with declining industries, tax bases, and populations. However, despite the prominence of new amenities in revitalized neighborhoods, spectacular architectural icons, and pedestrian friendly entertainment districts, the urban comeback has been highly uneven. Even thriving cities are defined by a bifurcated population of creative class professionals and a low-wage, low-skilled workforce. Many are home to diverse and thriving immigrant communities, but also contain economically and socially segregated neighborhoods. They have transformed high-profile central city brownfields, but many disadvantaged neighborhoods continue to grapple with abandoned and environmentally contaminated sites. As urban cores boom, inner-ring suburban areas increasingly face mounting problems, while other shrinking cities continue to wrestle with long-term decline. The Great Recession brought additional challenges to planning and development professionals and community organizations alike as they work to maintain successes and respond to new problems. It is crucial that students of urban revitalization recognize these challenges, their...
