Brand New Book ***** Print on Demand *****.Excerpt from A Contribution to the Natural History of Scarlatina Derived From Observations on the London Epidemic of 1887-1888: Being a Dissertation for the Degree of Doctor of Medicine in the University of Oxford 1. Any person who has been admitted to the Degree of Bachelor of Medicine may supplicate for the Degree of Doctor of Medicine, provided that he has entered upon the thirty-ninth Term from his Matriculation and that his name has been on the Books of some College or Hall or on the Register of Non-Collegiate Students for twenty-six Terms, and that he has written a dissertation approved as hereinafter provided. Every such dissertation shall be on a subject connected with the Science or Practice of Medicine, and must include the History and Literature of the subject treated of. 2. The dissertation shall be delivered to the Regius Professor of Medicine, and shall be submitted by him to and be subject to the approval of those Professors of the Faculty and Examiners for the Degree of Bachelor of Medicine for the time being whose...
