## Educational Opportunities in Integrative Medicine: The A to Z Healing Arts Guide and Professional Resource Directory (Paperback)

By Douglas Las Wengell

The Hunter Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. This all-in-one, up-to-date career and professional reference provides a comprehensive survey of integrative, alternative and complementary medicine therapies, their study and practice, for students as well as holistic practitioners. It covers the 11 major medical licenses including natural and allopathic medicine, acupuncture, chiropractic, body and mind therapies and nursing and 50 non-degree modalities such as ayurveda, herbal medicine, midwifery, biofeedback and yoga training. Modality history, philosophy, basic techniques and methods of each discipline are surveyed, along with career and training opportunities, licensure guidelines and salary information. With over 2,500 entries, it also features continuing education and postgraduate studies, conference and retreat centers, online resources and social networks, associations and research institutes, and major periodicals and publications. This book is a must-have desk resource for career seekers, students, holistic-minded healers and anyone interested in seeking out integrative medicine techniques and practitioners for themselves.

### Reviews

*The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).*

-- **Ernest Bergnaum**

*It is fantastic and great. Sure, it is actually play, nonetheless an amazing and interesting literature. I realized this ebook from my dad and i recommended this pdf to find out.*

-- **Gunner Lang**
