The dynamics of the gaming industry have changed so much that it has swelled up into one of the most lucrative businesses ever. But you don't need a business to make money off from video games. If you're just another gamer that enjoys blasting the weekend away with a good game, you can still manage to add another form of income to your digital arsenal. This guide will help you do just that. The methods described in this book are designed to give you options on how to monetize the time and knowledge you have acquired from playing video games.
