The handwriting is nowhere easy to read, and in places is most difficult, occasionally almost if not quite impossible. 2. In the course of nearly one hundred years the ink has faded and become in places very hard to decipher. 3. After the Diary of his journey in North Western America had been prepared for the press and set up in type, a second manuscript was discovered which was at first sight taken to be a duplicate, but which on closer examination was found to contain a great deal of additional information. It had therefore to be...
