Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The incident was of a dignity which the supernatural has by no means always had, and which has been more than ever lacking in it since the manifestations of professional spiritualism began to vulgarize it. Hewson appreciated this as soon as he realized that he had been confronted with an apparition. He had been very little agitated at the moment, and it was not till later, when the conflict between sense and reason concerning the fact itself arose, that he was aware of any perturbation. Even then, amidst the tumult of his whirling emotions he had a sort of central calm, in which he noted the particulars of the occurrence with distinctness and precision. He had always supposed that if anything of the sort happened to him he would be greatly frightened, but he had not been at all frightened, so far as he could make out. His hair had not risen, or his cheek felt a chill; his heart had not lost or gained a beat in its pulsation; and his prime conclusion was that if the Mysteries had chosen him an agent in approaching the material world they had not made a mistake.
