Sometimes the most life-changing experiences come when we least expect it. For National Transportation Safety Board investigator Dan Alexander, it's a tragic accident in the Midwest that killed three people-including two young boys. Dan wasn't expecting to find anything positive in his latest investigation. He's been tasked with discovering the cause of a train crash in the American heartland, but he can't keep his mind on the job. After a rough divorce, he began using alcohol and pornography to fill the hole in his heart. He's lost and miserable, but he doesn't know how to escape his depression and embrace his true identity. Help comes in the form of three strangers. As Dan delves deeper into the secrets of the small community and the true cause of the wreck, he grows close to the colorful Casey, enthusiastic Lydia, and gentle Samuel. They each teach him something new about his true identity and together lead him on a spiritual journey into the depths of his own heart. Dan's investigation unearths more than one amazing revelation, and in his darkest hour, he remembers the wise words of his new friends. But is it enough to change his heart and open his eyes to the truth? ----- A word from the author.
