A long time. how to use the female specialty courses to improve the overall quality of the female students is not enough. Such as: the career woman image design is one of the female specialty courses. it is a study of human behavior norms applied disciplines. is also a female Cultivation Course. its core image management. But so far. have not found a the National TongBian female image design textbooks more characteristics suitable for girls' school education career woman image design materials. Many are using textbooks. not enough targeted girls' school education and female students can not meet the actual demand. not be able to achieve better quality female students teaching purposes. Community book about female image design. more than generalities about women's makeup. hair. clothing. and other content. a lack of sound spiritual connotation and personality shaping away a far cry from the educational philosophy of the female Cultivation Course. and even may be misleading. Writing a theoretical depth. but also with the practical operation skills. suitable for girls' schools use textbooks imminent. This book is trying to...
