Brand New Book ***** Print on Demand *****.The twenty mule team is an iconic legend of the Death Valley territory and Mojave Desert. Its operation was short-lived, but during that time, this team of animals, humans, and wagons became forever etched into the romantic psyche of all who learned about it. Common citizens who had no association with the desert used products that had their beginnings in the mystique of Death Valley and the team. Even today, most every supermarket in the United States carries products with the well known twenty mule team silhouette on them. These borax related cleaning products are likely found worldwide. Rarely has such an obscure operation gained such fame as the impressive twenty mule team. This book tells the story behind the legend, revealing also what it was like to have worked as a laborer to extract the borax for transport to market. It is a time forever lost to the shroud of history, but the spirit lives on, and is celebrated regularly by enthusiasts who relive the glory of those days at planned desert events. Next time you see a desert dust devil..
