

Automotive Ignition Systems (Classic Reprint) (Paperback)

By Earl L Consoliver

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Automotive Ignition Systems This volume has been prepared to satisfy the demand for a systematic course of study dealing with the ignition systems used on automobiles, trucks, tractors, and airplanes. In preparing the text the authors have had in mind the needs of the men who have to install, adjust, and repair ignition systems in the factory and repair shop, as well as the needs of the automobile owner who desires a better understanding of the principles and construction of the modern ignition system. A few systems have been included which are no longer manufactured but many of which are still to be found in operation.
