Feel and Grow Rich The Four Elements of Success

By Daniel Marques

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 62 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. There are four basic elements operating in every action related to success, power and money. These elements are also the crucial ingredients within the law of attraction, behind its application and justifying its success. For anything that we choose to achieve in life we must understand how these elements interfere with reality and among themselves. When Buddha and many other Prophets stated that reality is only an illusion they were at the same time explaining that only these elements are real. We may observe the material world but not the invisible elements composing it. They are Individuality, Intuition, Inspiration and Energy. The secret of life is based on the 3 Is directed by E. In other words, power, wealth and success, need an individual purpose, a guided intuition, an inspired act and a directed energy to reach their goal. However, this energy can be either positive or negative, and this is what defines results within our life. This positive and negative energy transforms our soul and is the root of our karmic experience. To know how all these...
