Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Product Description Over three months on Amazon s List of Top One-Hundred Best Sellers in Horror! A small mountain town is isolated by a snowstorm as an ancient evil, gone pandemic, turns the residents into the living dead. Almost overnight the town becomes a snowy tomb of the roaming, hungry infected. Stranded by the weather, hiding, a small group of survivors follows the progress of the disease as society around them and around the world begins to break down. Determined to escape, they find that the normal rules of civilization don t apply anymore. Will they be able to adapt to this strange, hungry new world? SELECTED BY THE EXPRESS BUZZ FOR THE SUNDAY STANDARD SUMMER READING LIST OF 2012 Readers are saying: Wonderful! Really, this is first rate. I enjoyed the zombie story, the excitement, real life drama and the historical stuff all intertwined. It is not your typical zombie book in that there was a lot more to all the running, gore and zombie brains. Not that I don t love all that but it really makes it much more interesting with a bit more depth. TERRIFIC READ.Very, very good zombie/end of the world story. Well worth your time. One that I think about after -- a story that sticks with you. Really liked it. A real surprise. I m a fan of the genre but found that most of the new books I ve read re-hash old materials, never exploring new ground. This was different and pleasingly so. The author gave depth to characters, invented historical clues to the plague and kept the pace moving quickly. My only negative comment would be the author introduced some plot points...
