Createspace, United States, 2013. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.How to Learn and Memorize Latin Vocabulary . Using a Memory Palace Specifically Designed for Classical Latin (and adaptable to many other languages too) If you d like to improve your ability to learn Latin vocabulary by as much as 100 , 200 , even 300 (or more) . using simple memory techniques that you can learn in 15-20 minutes (or less), then this may be the most important book that you will ever read. Believe it or not, it really doesn t matter if you think you have a good memory or not. The information in this book will teach you: * Why memory is like a bicycle everyone can ride (with some minor personal adjustments). * The real reason why no one should ever be squeamish about memorization or learning a language. * Why and how some of the most famous memory skills are applicable to learning any language, especially Latin. * How you can easily create a letter location memory system based on the Latin alphabet. * Unique techniques that will have you literally tuning in on the Latin language. * How to separate Latin words in the most effective manner for memorization. * Two secret ways you can use relaxation to aid the memorization process. These two methods alone are worth the price of this book because they will literally eliminate your stress and apprehension as you learn Latin. * And much, much more . These techniques have been used by real language learners, most of whom previously considered themselves owners of a bad memory, to make real strides in learning Latin vocabulary. Don t worry! None of these techniques involve rocket science! Frankly,...
