It is desirable to the National Park Service because it will provide a buffer between the Blue Ridge Parkway and adjacent developed areas. It will also protect scenic views and enhance recreational opportunities on the Parkway. To ensure equity and transparency, S. 1767 will require that any agreement between the NPS and the Town comply with all laws, regulations, and policies regarding NPS land exchanges. This will require the NPS to conduct an appraisal of all relevant land, while providing the authority to the Secretary to adjust acreage totals to guarantee a fair exchange. The bill also requires the Secretary to make available a map of the exchanged lands for review by local stakeholders. Land acquired by the NPS through this legislation will be administered as part of the Blue Ridge Parkway, with the boundary of the Parkway automatically adjusted to reflect any new acquisitions. As the most visited unit of the National Park System,...
