

Deception Cove

Filesize: 3.9 MB

Reviews

Merely no words and phrases to spell out. It is actually written in basic words and phrases instead of difficult to understand. Your way of life span will probably be enhanced as soon as you complete reading this article ebook.
(Lauren Quitzon)

DECEPTION COVE

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. In the world of Harmony, Rainshadow Island is home to a mysterious preserve, secrets that have been kept for centuries, and a treasure worth killing for. As a light-talent, Alice North has the rare ability to make things disappear, including herself a gift that comes in handy during her magic act with her dust bunny Houdini. Business mogul Drake Sebastian is day-blind, since his sight was nearly destroyed in a lab accident. But he's the one man who can see Alice when she disappears and he needs her. On Rainshadow Island, two dangerous Old World crystals are missing, igniting a paranormal storm. Drake thinks Alice is the key to finding them, and proposes they head there, but only after a Marriage of Convenience. Alice's honeymoon on Rainshadow is guaranteed to be memorable, as the island and the passion between her and Drake is about to explode. Praise for *The Lost Night* [Castle] has created a fully imagined futurist world in Harmony. *The Seattle Times* Thrilling twists and turns another stellar romance from one of the genre's most consistently entertaining writers. Booklist (starred review).
