Dover Publications Inc., United States, 1994. Paperback. Condition: New. New edition. Language: English . Brand New Book. In this fascinating and comprehensive collection of Chinese myths and legends, E. T. C. Werner drew upon material readily available to him as a member of the Chinese government's Historiographical Bureau in Peking. A former barrister and British consul in Foochow, Werner presents a wealth of information illuminating the ideas and beliefs that governed the daily lives of the Chinese people long before the revolutions of the 20th century. Offering a provocative glimpse into a world dominated by traditional rules of etiquette and inhabited by demons, dragon-gods, and spirits, the volume opens with an introductory chapter on the origins of the Chinese people. In succeeding chapters, Mr. Werner's readable, well-illustrated text considers the gods of China and myths of stars, thunder, lightning, wind and rain; of water and fire; of epidemics, medicine, and exorcism; as well as tales about the goddess of mercy, the guardian of the gate of heaven, accounts of how the Monkey became a god, and much more. In addition, 32 striking illustrations depict such traditional deities as the Spirit That Clears the Way, civilian and military Door Gods, the Kitchen-God, Dragon-Gods, the Gods of Happiness, Office, and Longevity, and others. Engrossing and informative, *Myths and Legends of China* will appeal not only to lovers of folklore but to anyone interested in Chinese art, culture, or philosophy.
