Reviews

This publication is wonderful. Better than ever, though I am quite late in starting to read this one. I am very happy to tell you that here is the best book we have read through in my personal daily life and could be the finest PDF for actually.

SEASONS SUMMER (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. Seasons is one of three new additions to this popular non-fiction series. There is one book for each of the four seasons - all carefully created to make information accessible to young readers. Large, exciting photographs draw readers into the text and get them thinking about the topic. The text is layered to provide for different reading abilities. The books incorporate all the features of non-fiction texts that pupils are now required to study in their literacy lessons: a contents list, diagrams, charts, captions, informational text, a glossary, an index, etc. The strand is accompanied by a Teaching Guide, which provides expert advice, lesson plans and photocopiable resources for teaching non-fiction skills through guided reading and writing.
