## YOU CAN MANIFEST: LAW OF ATTRACTION MANIFESTING TECHNIQUES AND MORE. (PAPERBACK)

Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Learn how to manifest your intentions so you can attain your dreams. In every minute of our lives we are co-creators of our lives. We need to co-create deliberately, discover and sustain a higher vibration and know that it is our right to live in happiness, to enjoy abundance, to be in good health, and live knowing we are loved by the Universe (God) who wants to give us every good thing that is our hearts desire. This book is a response to readers who want to manifest their intentions but who are not ready for a spiritual life or any spiritual connection. This may be the only book I will write that is solely focused on manifesting desires without first focusing on developing and walking in spirit. Our consistent power lies in the Kingdom on God within each of us. This may be my only book that does not focus on the power within ignited by spiritual connection. This book focuses on deliberate creation using your own powerhouse available to you.
