Discovery Walking Guides Ltd. Paperback. Book Condition: new. BRAND NEW, Wild About London's Parks: Explore London's Parks with This Series of Fun and Fascinating Walks and Guides for Children, Simon Rees, 'Wild About London's Parks' is a series of fun and fascinating guided walks for children and families to explore London's green spaces. This book turns a walk in the park into a fun adventure of wildlife discovery. Walks are designed specifically for children to lead their family on the walk; for the child to become the guide. There are clear, child-friendly maps and step-by-step directions. The emphasis is on discovering the wildlife in the parks. Questions throughout each walk encourage the children (and the rest of the family) to discover the birds, animals and plants in the park. The book contains a set of Wildlife Identification Guides that are used on the walk, in order to answer the questions and to help identify other animals and plants. There are Wildlife Identification Guides to: trees, wildflowers, birds, butterflies, mini-beast (bugs and creepy-crawlies), ponds and streams and freshwater fish. Besides this, interesting historical facts and puzzles are also included. In total, the book consists of six different walks set in the following parks and areas of London: Hampstead Heath, Regent's Park, Hyde Park, Kew Gardens, Richmond Park and along the Thames at Ham As well as the six walks there are also shorter reviews of other interesting wild places to discover in London e.g. Coram's fields, The Wetlands Centre, Battersea Park etc.
