Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Popular Government, Vol. 74: Spring/Summer, 2009 What is constitutional preemption? The u.s. Supreme Court has consistently ruled that the federal government has broad and exclusive power to regulate immigration.⁶ A state or local law will be constitutionally preempted if it attempts to regulate immigration. Under this test, the relevant question is Does the state or local law regulate immigration - does it make a determination of who should or should not be admitted into the country and the conditions under which a legal entrant may remain - or does it simply pertain to immigrants. State and local laws that attempt to regulate immigration violate the Supremacy Clause of the u.s. Constitution and are therefore preempted by federal law, even in the absence of federal legislation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
