Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Pippa at Brighton I am not very old myself, being a thought under fourteen, but then I m a Girl Guide, and very intelligent, even for a Guide. Oh, and I may as well say at the beginning that this is a human document. I am writing it in tears and blood - so to speak - and I shall lock it up in my desk, where the family will find it after my death. Then they ll be sorry. They ll wish they had been nicer to me while I was yet alive. For, in the time before I went to school, they were not nice to me - and that s the truth. All my efforts to please were unavailing. I did my good Guide deed every day for the benefit of other people, and what was the result P Did my parents smile on me and reward me P Did my brothers and sisters vie with each other in praise of my devotion They did not. They merely remarked, when they discovered what I had done for them, Really, that child ought to be sent to school. She is growing unbearable.
