COUNCIL OF BLACKTHORN (BOXED B

Jasco Games, 2016. Game. Condition: New. Language: English . Brand New Book. Created for the 25th anniversary of the character, Mega Man: The Board Game is a 2-6 player board game in which players control both their character and Dr. Wily's forces, ideally to impede the progress of other players. After determining who goes first, players choose the Robot Master's stage on which they wish to start the game. On your turn, flip over the challenge card to reveal your first challenge. You choose the dice you wish to use to pass the challenge, then play cards from your hand and use abilities from your character to blast, jump or run through the challenge. Your opponents can play cards from the Dr. Wily side of their hand to make your challenge more difficult, possibly doing damage or taking lives from you along the way. If you beat the challenge, you move forward on the stage a number of spaces determined by the challenge you defeated.
