Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Being an Academic Rock Star isn't just about getting decent grades. In fact, there are many people who pass all their classes and they'll never be a rock star anything, personally or professionally. They lack the mind set and behaviors to be above average. As instructor Catherine Goggia teaches, being an Academic Rock Star embraces belief systems and action plans that enable students to establish habits of excellence. Some people attain segments of these behaviors because of personality, others through their upbringing, and some apply learning from successful people. However, rare is the student who shows up on the first day of class with these 30 Tips firmly anchored as their natural state of being. That would require teaching and practice. First, Catherine provides you each tip clearly stated as the title of every section in the book. Then she explains why the tip is important, offers practical steps you can take to achieve the goal, and closes each section with an action plan. This book is set up like a work book balancing concepts with planning and action steps. Purchase the book and gain FREE ACCESS to the Udemy course which aligns with this book: 3 HOURS of audio lecture for people who want to hear Catherine discuss the tips in addition to reading about them. This orientation has already helped thousands of people in these categories: 1. High school students transitioning to college. Note to parents: read this book while your child is in high school and support application of these tips before the big move! 2. People who have been home raising children and are re-entering the academic world after...
