Paperback Pages Number: 342 Language: Simplified Chinese Publisher: Central China Normal University Press; 1st edition (August 1. 2006). Paperback Pages Number: 342 Language: Simplified Chinese. Publisher: Central China Normal University Press; 1 edition (August 1. 2006) at the turn of the century the tide of economic transition. and promote the development of various disciplines. practical writing has also entered a new stage of development. To adapt to the beat of the pulse of modern life. the amendment of the book Practical Writing Course is an urgent imperative. This amendment to retain the original style and features of the premise. to particularly highlight the following three points: First. highlight the practical features. About the theory of practical writing. concise. Essentials. with emphasis on clear format. and written so that readers understand a variety of sports and how to write. We strive to avoid drilling the esoteric doctrines of the ivory tower. and advocated the tree of life evergreen. Secondly. to strengthen the economic stylistic. The coming century technology and the economy dominate the era of human and economic life has penetrated into all spheres of life of the people and the practical writing of the economic trends have gradually become an international trend. This book is to increase the special chapter of the foreign-related economic instruments. joint-stock enterprises instruments to adapt to the development of contemporary economic life. Third. pay attention to Pham Van example. About a variety of sports. a selection of standard. typical and novel Liwen as sample so that readers at a glance. the culture by opening books to understand how to write. to make the book truly become mentor on your side. Contents: revised second edition...
