Reversals of Fortune: Public Policy and Private Interests (Paperback)

By Gary Mucciaroni

BROOKINGS INSTITUTION, United States, 1994. Paperback. Condition: New. New. Language: English . Brand New Book. In this book, Gary Mucciaroni examines the shifting fortunes of economic interest groups in Washington. He addresses such compelling questions as: Why do policymakers bestow benefits on these groups in some areas of public policy but refrain from doing so in others? Why are benefits given to these industries in one period but revoked at a later time? What conditions and processes shape policymakers postures toward particular interests, and why do they sometimes change? Mucciaroni compares and contrasts four policy areas—tax incentives, anti-competitive regulations, trade barriers, and agricultural subsidies—where it is possible for interest groups to gain substantial benefits while paying little of the costs. He finds that the fortunes of these groups vary considerably across policies and over time. In explaining these patterns, Mucciaroni argues that interest group fortunes are not shaped so much by the interest groups themselves or their political activities, but rather by what he calls the issue and institutional contexts. The kinds of issues that become salient, how they are defined in policy debates, and the different institutional arrangements for making policy choices all have a powerful impact on group...
