The Monacelli Press, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " Site and Sound , which emerged from four years of research and travel, will be a crucial resource for anyone assessing the state of the hall-building art: I was particularly fascinated by the overview of all the frenzied recent activity in China." -Alex Ross, author of *The Rest is Noise* and *Listen to This* "Lucidly written, splendidly illustrated . . . Newhouse's illuminating survey . . . includes [China,] Los Angeles, Paris, New York and Oslo, before concluding with newer projects by Zaha Hadid in Baku, Azerbaijan, and Herzog & de Meuron's Elbe Philharmonie in Hamburg." -Manuela Hoelterhoff, *Bloomberg News* Praise for *Towards a New Museum* : " Towards a New Museum [is] about as complete a tour of the horizon of important new buildings as you are likely to find. Ms. Newhouse is not just an astute and tireless visitor to these and many other places, but a trenchant critic and observer." - The *Wall Street Journal* "Reading through these pages is to be engaged in a provocative conversation with passionate, very intelligent people." - The *New York Times* Book Review.
