Organic Gardeners Composting by Steve Solomon Back in the 70s, I made the momentous move from the East Coast to the West and quickly discovered that much of my garden knowledge needed an update. Seattles climate was unlike anything I had experienced in Massachusetts or Ohio or Colorado, and many of my favorite vegetables simply didnt grow well. A friend steered me to a new seed company, a tiny business called Territorial Seed, unique in that, rather than trying to tout its wares all over the country, it would only sell to people living west of the Cascade Mountains. Every vegetable and cover crop listed had been carefully tested and selected by Steve Solomon for its performance in the maritime Northwest. This item ships from La Vergne, TN. Paperback.
