CRITICAL TRANSFER (action suspense novel) Critical Transfer is an exhilarating new thriller about a man attempting to accomplish the impossible while facing incredible odds. When American computer executive Peter Barretts multi-million dollar business deal backfires, his life is turned upside down as he becomes the most hunted man in the United States. He is accused of embezzling money from his father-in-laws firm to be used by terrorists intending to fire missiles at South Florida and major cities on the East Coast. With the help of an old friend he manages to outsmart the FBI, the CIA, the local police in California and Florida, and the entire government of Fidel Castro as he tries to smuggle himself into and then out of Cuba but not without a lot of close calls. From an upper-class businessman to a wanted criminal and eventually to a modern-day hero the American public is rooting for, Peter must risk everything to prove his innocence and get his life back. With Cuba as the focus, the novel crafts a truly unique story with the use of an enemy that is dangerously close to home. Critical Transfer is a blend of action, adventure, and suspense, while skillfully integrating the topics of love, devotion, revenge, and terrorism. This compelling novel will fascinate readers from all backgrounds and keep them leaping from one chapter to the next and wont let go until the final words have been read.
