To maintain her pride and restore her sanity, she decides to get revenge. It feels immensely satisfying to plot her ex s downfall--but so does kissing him. Thatch Holloway, a plastic surgeon straight out of residency, knows he ruined the best thing that ever happened to him. But not all cheaters are created equal. He got himself into this messed-up situation--true--but he has his reasons for what happened, and he d do it all again to protect Austin. He s not over her. And she s not over him. Austin wants closure, but since Thatch refuses to give it to her, she takes matters into her own hands. She needs to write a human-interest piece for her MBA, so she demands the full plastic-surgery experience. Sparks fly as they re forced to work together. But Thatch isn t afraid to play dirty in return. And he s still hiding something--something that has the power to destroy not only Austin but their second chance at finding forever.
