AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Would you like to start earning CASH with no out of pocket expense starting TODAY? Then this book is for you. My system can work for part time employees, college students, home makers that have little time available, and seasoned investors as well. By helping homeowners stay in there homes you can charge from \$300.00 to \$2500.00 for as little as one hour of your time. By putting contracts together from defaulting homeowners and then offering them to other investors you can earn \$5000.00 to \$10.000. per contract. I wrote this book as a guide of what not to do when you first start your investing career.based on the hype of the infomercials we all see and here and what I personally experienced when first entering the real estate investing market. I wanted to give to the new investor a chance to really inter the investing arena loaded with information and a guide to create cash to support there investment career and with a fresh new approach. Do Not take advantage of the defaulting homeowner! Try to approach every deal with a win/win attitude. It will give you a new wealth financially and a great feeling of really being able to help someone in need of your experience and expertise. The public will be calling and recommending your services because of your fair treatment of them instead of the cut them off at the knees approach that everyone else is teaching. This book will teach you the real estate terms that you need to know to be effective when talking to bankers, other investors, real estate agents and title companies. It will teach you how to start earning cash TODAY, with no out...
